FROM: Chief James M. Lee 

SUBJECT: Commendation

I would like to thank you for your recent planning and participation in the Contraband Interdiction Program selective enforcement operation in St. Lucie County on Florida's Turnpike, April 22-26, 2005. As a result of this operation, 68 felony and 78 misdemeanor arrests were made as well as 144 traffic infraction cases. Thirty-two persons were physically arrested.

You are to be commended for your excellent planning and organizational skills. As a result, an estimated \$345,645.25 worth of illegal narcotics of various types and amounts was seized and prevented from finding its way into the hands of our youth.

Again, thanks for your continued support of the CIP program and personnel!
